

COPY OF FORM 990

(TO BE USED, OR COPIED, FOR)

****PUBLIC INSPECTION ONLY****

NOTE

Under Internal Revenue Regulations, tax-exempt charitable organizations generally must provide requesters with COPIES of:

- Its approved exemption applications, all required attachments and any related correspondence with the IRS, and
- Its three most recent annual information returns (Form 990), including all schedules and attachments (but not the names and addresses of contributors).

In-person requests: *A member of the public may request to inspect the documents at any principal office of the organization. The entity must provide the information requested that same day. However, if the request places an “unreasonable burden” on the organization, the staff must provide copies of the requested information no later than the next business day after the unusual circumstances cease to exist (limited to a maximum of five business days after the request).*

Written requests: *Written requests made by fax, mail, email, or overnight service, which include the requester’s address, must be honored within 30 days of receipt.*

Website alternative: *Instead of providing copies, an organization may make the documents available on either its own or another organization's website. If it uses this option, it has to: (1) provide an exact replica of the document as was filed with the IRS; (2) advise requesters how to access the forms on the web; (3) the site should charge no access fee and require no special software or hardware to download. Organizations that post this information on the Internet still must honor in-person requests to view the applicable documents.*

Permissible charges: *Tax-exempt organizations may charge a reasonable copying fee, up to \$1 for the first page and 15 cents for each additional page, plus actual postage costs.*

Penalties: *An organization that fails to comply with the new disclosure requirements may be subject to the following penalties:*

- Annual Information Return – Form 990 - \$20 per day for as long as the failure continues, up to a maximum of \$10,000 for each failure to provide an annual return.
- Exemption Application - \$20 per day with no maximum.
- An organization that willfully fails to comply with these public inspection rules can be subject to an additional \$5,000 penalty.

Private foundation exempt: *The new disclosure rules don't yet apply to private foundations. They must still make a copy of their annual return available for public inspection at their principal office for a period of 180 days after publishing a notice of availability.*

Donor Information: *Please note that donor information is not open to public inspection and has been excluded from this copy.*

resolution. Form 990 is then filed electronically with the IRS and posted to World Vision's web site.

Form 990, Part VI, Section B, Line 12c:

World Vision has a written Conflict of Interest Policy. Annually all employees complete a disclosure form identifying transactions and relationships which may be a conflict of interest. Management reviews all disclosed conflicts and determines whether any conflict exists. Any conflicts are raised for review to a committee which includes the CFO, Internal Audit and Legal. Whatever action deemed necessary by this committee is taken, sometimes in consultation with the President. The Chief Legal Officer provides a summary report to the Board of Directors via the Audit Committee. There is a similar process for the Board of Directors to submit a conflict of interest disclosure form annually. The Board of Directors disclosures are reviewed by management. Any issues are taken to the Board of Directors for resolution, excluding the Board member for whom the conflict exists.

Form 990, Part VI, Section B, Line 15:

The Board of Directors mandates the compensation philosophy for the entire organization.

The President's salary is reviewed on an annual basis. The Board's Executive Committee will formally evaluate the president based on performance and organizational goals after seeking documented input from each member of the Board, as well as, the Senior Leadership Team. The Board also determines any compensation adjustments and documents that approval process. In addition, for the purposes of a compensation review,

the Board's Executive Committee periodically contracts with compensation consulting firms to conduct an independent review of executive compensation. Once the data is gathered and analyzed by the committee, the recommended compensation package for the President is presented to the full Board for approval.

The process for determining the compensation grade levels for the Senior Leadership Team of World Vision Inc. is managed by the Compensation Manager and contemporaneously documented. All senior leadership positions are evaluated and matched to market data of both for-profit and nonprofit organizations where similar positions exist. The President approves the specific salary of the COO, CFO, and Senior Vice President of Human Resources within the appropriate grade level and within World Vision salary administration guidelines based upon recommendation of the Compensation Manager and Compensation Grading Committee. The COO and CFO are responsible to approve the grade levels as well as specific salary amounts for the Senior Leadership Team members who report up to them in accordance with World Vision salary administration guidelines and based on the recommendation of the Compensation Manager and Compensation Grading Committee. In addition, periodic audits and reviews are conducted utilizing an outside consultant to validate that compensation levels of the Senior Leadership Team are consistent with our compensation philosophy and current market data.
